**Dear Pastors, Churches, and Friends**

**April 2010**

Hello to everyone! I am excited as I sit down to write about these past two months. So much happening and God has been really working in my life. I need Him now it seems more than ever. He is teaching me so many wonderful things from His word that I use everyday in the ministry. I am so pleased with where He has us serving here in Ireland. What a great ministry team I get to be associated with. I am not for one minute saying it is a downhill run, but it a joy to be a servant of God. Please pray for Bro. Craig Ledbetter, John and Tony. These men are solid, sold out servants of God.

Now, what's happening? Great news! We saw a man come to Christ while out doing some door knocking for the R. U. program. Please pray for Michael O. in that he is disabled and hard for him to come out to church and the R. U. meetings. February was our evangelism month and we had 28 people out knocking on doors. Oh, that we would have the heart of compassion and see the world as Christy does. **Matt.9:36** We had 16 first time visitors during the month and a high day of 119, because of our 'Friend Day' outreach. It was also a great blessing to have two church planters here in Ireland come and present what God is doing in their neck of the woods, or hedges I should say. We had Pastor Bob Hutton and Pastor Elias Correa from Mallow and Kilarney respectively preach and present their burden.

March was busy preparing for our upcoming '**Men's Retreat**'. There are so many things to get ready as we are expecting almost 100 men to converge on **Mount Melleray Scout Campground, in Lismore, Co. Waterford**. We are hoping to direct men to see their responsibility of being godly men in their homes, churches and places of employment. What the world needs to see are strong Christian men living for the Lord, and taking responsibility for their actions. It is leading up to be one of the best ever. Please visit my web site and follow the link on the home page for all the details.

The ladies are even getting into the action with a cookbook. There are so many different countries represented here in our church that we are going to produce a cookbook. I hope to be able to send some to those who would request it. I will let you know when it is finished and you can be a blessing to these ladies by buying one.

**Prayer Requests** - We are ever so close to buying a building to move the church into. Please pray our bid is accepted. We want the Lord's will for this situation. Also pray for Amanda that she heal from her surgery and have a safe trip back from South Africa. Pray for Weston, now almost a month in the R.U. home in Dublin. Finally thank you to every supporting church and individual. Oh, and don't forget to pray for our discipleships. Important? You bet?
