**Dear Pastors, Churches, and Friends**

**April 2009**

We are now into our 7<sup>th</sup> month on the mission field of Ireland. The Lord continues to bless the efforts to win souls here. There is so much going on in the ministry that is strengthening the precious souls that have been saved. Two recently saved men are being discipled and they are growing. They are both out soul winning and in the church services. There have also been some salvations from door to door but we still have yet to see them in church. There is a giant leap of faith for these people as they turn from darkness (religion, and works) to the light and glorious freedom in Christ.

We had a great day on our before Sat. March 28<sup>th</sup> that 28 people from the Royal National Lifeboat danger and lengths they go to rescue the premier rescue teams in the world. value of one soul. If the world goes to death, should we not as Christians go to **Rev.20:11-15**

They are one of The idea was to give the people a look at the these lengths to save people from physical any length to rescue them from the lake of fire?

Kathy is returning from a two week visit to the states to the kids and grandchildren. I spoke with her just a few hours ago via Skype and she said she is ready to come home. She called Ireland home. There will always be a tug in the heart for homeland (the U.S.A.)and especially our family, but, to be in the center of God's will is the most satisfying place on earth. I want to say thank you as always to our praying and supporting churches. Thank you for your giving. **Phil.4:19**

The church will be having baptisms real soon down in the Lee River. It could be very cool to say the least. We are praying for good weather as we will be baptizing up to 20 people that day. This is a huge step for these believers as they publically show they are trusting in Jesus Christ and Him alone for their salvation. Please be praying for a great day and a great turnout to witness this important step in their lives. We are looking forward to the Men's Retreat, where we will be studying the life of Joshua. He was a man preparing to lead the nation of Israel into the Promised Land. Ireland, the U.S.A. and the whole world needs to see strong, dedicated, and consecrated Christian men ready to take the lead in every area of their lives. **Prayer Requests** Please pray for Eugene, Jim, Edward, Lawrence and our unsaved loved ones. **Mark 16:15**
