

Bible Baptist Church of Ballincollig

Dear Pastors, Churches, and Friends

Dec. 2009

The days are shorter but the work is busier than ever. With so much planned for this month of December the church is almost compared to a bee hive with so much activity. We are looking to the Christmas dinner in the town of Bandon on the 12th, Christmas on the streets of Cork on the 19th, and the Christmas Cantata (“What if Jesus had not been born”) on the morning of the 20th. There is also a teen all nighter on the 28th of which we will not be apart of because we are coming to the states for Christmas. I wish we could be in two places at once because the challenge to the teens is to “Smash the Mask” and live for God. The call is for teens to be upfront and upright in this world and stop being Christian chameleons.

As you know I sent an email out to all to pray for a man named Joseph M. He suffered broken hip and other related injuries from a 25 to 30 ft. fall off a ladder. He is recovering well after a partial hip replacement. He has many weeks of rehab and recovery. Please pray for his wife Ann to be saved through this trial. Joseph will be transferred to an Orthopedic Hospital barring any complications from some recent surgery for some internal bleeding. Please continue to pray for this dear servant.

The work continues in reaching the lost. Though the weather turns very bad this time of year we continue to reach out to the lost. We value your prayers for our efforts to point souls to Jesus Christ. The discipleships are going well though some have been put on hold because of two recent babies being born. Praise the Lord for this miracle of the first birth.

We had the great blessing of having two men from the Reformers Unanimous in Dublin come down to our church. They shared powerful testimonies of God’s transforming grace in their lives. They were in our own R.U. meeting on Friday night, down on the streets of Cork on Saturday then in the Sunday morning meeting. I got one picture of my wife Kathy handing out R. U. information sheets and tracts while we were there on the street.

There is such a need for
You have got to go to

Finally please
for salvation. Please pray
till the 5th of Jan. We are
For me it is the first time
Christmas and a joyous New Year.

the transforming power of the Bible in people’s lives.
them and reach them for Christ.

continue in prayer for Trevor, Eugene, Mercy, and Ann
for our visit back home to the states on the 22nd of Dec.
staying with family and get to see our grandchildren.
in 15 months. Our prayer is for you all to have a Merry

John 1:14 “And the Word was made flesh...”
