

Bible Baptist Church of Ballincollig

Dear Pastors, Churches, and Friends

Feb. 2010

The New Year is well underway and there is no way of stopping this train. The work is always before us as we prepare for all that the Lord has for us this year. Many events are always on the calendar with some new ones of course. The months ahead are full of planning for a Men’s Retreat, Victory Youth Camp, soul winning blitzes, and our Bible Clubs. This only takes us up to the beginning of summer. There are so many things I haven’t even mentioned but go on weekly.

We have decided to reach out into one of the nursing homes in the area. The director, Paddy B. has been more than gracious to us as we try to be a blessing to these elderly people. Of course the majority are Catholic in religion and set in their ways. Our vision is to try to show them Jesus Christ through singing, testimony and simply talking with the residents. We will be planning on a monthly outreach to this nursing home and see how the Lord would have us proceed; whether that be to expand this or reach out to another home in the area. Right now we waiting on the Lord and seeing how He blesses this effort. These are people closer to eternity than most and we want to let them see the love and reality of a relationship with Jesus Christ instead of a head knowledge and list of do’s and don’ts.

Praise the Lord for a vision. Our hope is to go through the doors God has opened for us and not open those ones we should leave shut. This month of February is the Open Door of Evangelism. We will be preaching this whole month on reaching our village, town, city, nation and the whole world. **Mark 8:36, 37**

Please Pray: We are in the process of trying to buy a building to move the church into. Right now the offices are in one location and the meetings are in another location, both being rented. Our hope is in the Lord and we want the wisdom of God to proceed and know when to go forward and when to wait. Also, please pray for the salvation of the many visitors who come and those who attend but are not saved; in particular, Sharon H. Trevor, Eugene, and Liam. The latter three have attended our Reformers Unanimous program and are still on the wrong end of their addictions.
