

Bible Baptist Church of Ballincollig

Dear Pastors, Churches, and Friends

August 2011

It is a great time to serve the Lord. The world needs Christ as never before. We have the answer and we need to be diligently working and doing the Father's business now! **John 9:4** "I must work the works of him that sent me, while it is day: the night cometh, when no man can work."

Recent Events - We just finished our Victory Youth Camp. We focused on learning from the life of Samson. What not to do! The kids were really keyed in on the messages and I for one thoroughly enjoyed preaching to them. We had 7 different preachers. They must have been listening intently because we saw 10 children receive Jesus Christ as their personal Saviour. There were also some 35 kids who did the Samson craft which is pictured below with other photos of the camp.

Coming Events - We will be running our Bible Club from the 15th of August to the 19th. Our theme is "Our Amazing God". There will be a big push to get as many kids as possible to the club so we can teach them about the wonders of God. This outreach has always provided some real blessings not only for the children but all the workers. Each year we see some kids saved and changed for the glory of God.

Thank you - I just want to give a big thank you to all the churches and individuals who are faithfully praying and financially supporting my wife and I here in Ireland. Every soul saved and every person changed is added to your account. This is fruit that remains. Please know we are praying for you also.

Prayer Requests - Kathy will be flying back to the States on the 6th of September. She will be helping as our daughter in law (Cherie) will be delivering our 5th grandchild. They are all special but this one is the first girl, and her name is Peyton. Pray for Rodney and Cherie and that unborn little girl that all will be well. Please pray for some specific people for salvation such as Rowan, Kerrie, and Jeger.

Note - I will not be traveling back to the States till November as the work goes on. I will be home from mid November to January 5th. Please if you want an update on the ministry at your church please email and I will see if a date is open. **His servants and your friends Dan and Kathy Eberly John 12:24**
