

Bible Baptist Church of Ballincollig

Dear Pastors, Churches, and Friends

June 2009

Hello to all!! We are entering the summer months now and are seeing some wonderful weather and extended sunshine. The days start early with the dawn at 5:00am and dusk at 10:00pm or even later. Kathy and I have been going strong since Oct. of last year and intend to make a few day trips to see the country. The Lord is meeting our needs as He is yours I am sure. Even with a continuing fall of the dollar and fuel prices beginning to rise again our faith is strong. Allow me to keep you in remembrance of the great need on this island, the Gospel. Ireland is choking and suffocating from a dead religion. It needs the life saving, life changing Gospel of Jesus Christ to live the free and abundant life.

Let me give you some things to shout about. There were five people saved this month. Please remember to pray for Laura (14 years old), Dermot, Marilyn, John (R.U.Program), and Jessica (13 years old). We have seen 17 people saved since coming to Ireland last year. All I want to do is praise the Lord and remind you that you have a part in every one of these miracles. Without your prayers and financial backing we just wouldn't be here. The plain truth is we need you and Ireland needs the Gospel. Thank you for every prayer, I can't tell how much we depend on them.

The Ledbetter's are full bore into their furlough and they are sorely missed here at the church. They are an absolute blessing and will be sharing the good things God has done through their ministry for the next few months. Pray for them.

We are very busy and this is no time to put down the sword. Looking ahead we will be celebrating (on June 14th) 15 years of victories (**1Cor.15:57**) since Bible Baptist Church of Ballincollig was started. We also will be starting our summer Bible Clubs on July 2nd. There will be a youth camp in July and we are expecting some 100 teens. Please pray that God will bless our efforts. Our goal is to see these young people saved and turned around to obey the Lord.

The discipleship program is going very well with many being taught the Word of God weekly in their homes. I believe this is the one ministry that can make all the difference in the world with new Christians. Their future relationship with the Lord and hope for the family is strengthened by the teaching of the Word of God. The devil hates when a new believer makes the right choices. I get just as excited watching believers grow in the Lord as I was at their salvation.

I will be preaching the month of June on Standing Fast in the Battle. We as Christians are the ones who have been entrusted with the responsibility to carry the message to this lost world. Let's get our heads out of the sand and into the battle for souls. The devil wants to destroy our lives and homes and we have the answer. As soldiers of the Lord, let's live right, put on the armor of God, and go on to Victory. **2Tim. 2:1-4 Dan and Kathy Eberly John 12:24**
