

**Bible Baptist Church of Ballincollig**

**Dear Pastors, Churches, and Friends**

**Nov. 2009**

Alright here goes an attempt to cram in all of what the Lord has done for the past thirty days, whew! First off we saw an 80 year old woman get saved through the door to door soul-winning efforts. Not one knock, not two knocks but possibly up to a dozen tries all bathed with a caring attitude first begun by my wife Kathy. Christine K. is going to heaven because our God is a merciful and gracious God. It takes more than just knocking on the doors but praying and reaching out in so many different ways. Kathy has a heart as big as Texas, and people are just drawn to her open and caring way. I am so glad for the helpmeet God has given me.

In the discipleship ministry the Lord has seen fit to give us another couple to teach. Please remember to pray for Dermott and Judith of which both were saved just this past year. I love when people are hungry for God. **Ps. 81:10**

Ireland is stuck with us as we have been given another year on our passports. Also I have passed my driving test and now have a full Irish license. Isn't God good! It just seems like we are being blessed over and over and I just can't thank the Lord enough.

This past month we had a team from Old Time Baptist Church in Hamburg NY come and sing and minister to us. Lou Guadagno and his wife with eight other ladies and young women sang in the services and on the streets of Cork. Brother Lou preached and we were really blessed by it all. On top of that, the team helped our youth group to make a CD of camp songs, which will be ready for distribution real soon. Pastor Ledbetter, John Mahony, Tony Mahony, and Claudio Robalo, among others, really accomplished a lot in those few days. I did a lot of listening and it was goooooood!

I want to thank Good Samaritan Baptist Church in Dresden NY, for taking us on for support, as their missionaries to Ireland. There are churches you visit on deputation and really hope to become apart of their ministry, and this was one of them. Pastor Rice has a great heart for getting Bible knowledge and information out there for people to use. I will give his web site and check it out for yourselves. Please pray for the following individuals. The Blackburn family – their 2 year old son Silas just went to heaven and he will be missed. Pray for Trevor as he acts upon a decision to get victory over his addiction and his salvation settled. Pray for Edward and Amy as they await news about children. Pray for Eugene who is at the knot in the end of the rope, that he will believe in Jesus Christ and be wonderfully saved. **Dan and Kathy Eberly John 12:24**
