

Bible Baptist Church of Ballincollig

Dear Pastors, Churches, and Friends

October 2011

This has been an especially different two months for me. Kathy left for the States on Sept. 6th to be there for the birth of our 6th grandchild; the first girl I might add. Her name is Peyton and she and mother (father too) are doing wonderfully. She tipped the scales at 8lbs. 5 oz. I will be headed to the States myself on Nov. 15th to spend Thanksgiving, Christmas and New Years with family. I will also be visiting some churches and reporting on the work here. Please, if you want an update on the ministry please email and I will see if a date is open.

Bible Club - Our Bible Club came right on the heels of my last prayer letter so it really is a blessing to me to remember the blessings of God for that one week. We had 107 children for our high day which almost triples any past clubs. They just kept coming and many parents stuck around and helped. We had 10 saved with one being a teen who just came to help. Please pray for Rowan as he is growing in the Lord. Also we have a girl named Sophie from the club who has been attending services.

Baptisms - We had a baptism on Aug.21st. and saw 10 believers go through the waters of baptism. They were baptized down at the river Lee in Cork. Picture of the group below!

Coming Events - A Reformers Unanimous evangelism blitz is coming on Oct. 21st and 22nd. It our hope to have an overflowing meeting on Friday night and then flood the streets of Cork city with tracts and information about the Bible Baptist Church R.U. program that is run here in Ballincollig. Our goal is to see those with addictions get to hear of the 'one step' program which is being born again. **2Cor.5:17**

We also have our annual 'Light the Night' on which is our way of providing the alternative to going out on Halloween. We have preaching, games, songs and fun for all, still glorifying the Lord. **1Cor.10:31** Didn't want to forget the 'Men's Prayer Breakfast' we had on Sept.24th. We look ahead for His answers!

Thank you for every prayer made on behalf of the Eberly's and the work here in Ireland!

His servants and your friends Dan and Kathy Eberly John 12:2
